4Life Transfer Factor® KBU™

Kidney, Bladder, Urinary Support

- Features Targeted Transfer Factor® technology for focused support of the urinary tract
- Supports the urinary system with multiple ingredients, including an advanced pH balancing blend
- Supports healthy kidney function
- Maintains healthy bladder tone

DIRECTIONS: Take four (4) capsules daily with 8 oz of fluid. For best results, take two (2) capsules, morning and evening.

What is 4Life Transfer Factor KBU?

4Life Transfer Factor® KBU™ is formulated to support the entire urinary system for both men and women. Targeted ingredients like cranberry, blueberry, dandelion leaf, and juniper berry give you the support you need for healthy bladder function. It also promotes the healthy filtration process of the kidneys, helps maintain healthy fluid balance, and provides valuable immune system education with 4Life Transfer Factor® Tri-Factor Formula.

PRIMARY SUPPORT:

Urinary

SECONDARY SUPPORT:

Immune

Key features

- Features targeted ingredients to support the entire urinary system, including cranberry, blueberry, dandelion leaf, and juniper berry.
- Includes the revolutionary power of 4Life Transfer Factor® Tri-Factor® Formula to educate immune cells and promote healthy urinary function.
- Ensures exclusivity with the protective United States patent 6,468,534 (extraction process for transfer factors from egg sources).

Did You Know?

Cranberry represents one of the most popular berry juices for health throughout almost every generation. In addition, cranberry was listed as the number one selling herbal supplement in 2008 and 2009.*
